## P.R.A.Y. Quiet Time Method

There are no rules or formulas for how to spend time in God's Word, but there are helpful practices. If you are looking for some guidance or structure for your quiet times, here is a method that could help. This method can be completed in 15 minutes – however don't feel restricted! Please spend as much time as you want. You can remember this method using the acronym P.R.A.Y.

**Pray.** Ask God to speak to you through His Word during your quiet time. 30 seconds

**Read.** Read the day's Scripture passage, expecting God to speak to you through His Word. 6 minutes

**Ask.** Ask and answer the following five questions: 6 minutes

1. What does this passage say about God?
2. What does this passage say about me?
3. Is there sin I need to confess after reading this passage?
4. How does this passage lead me to praise God?
5. What should my life look like today as a result of reading this passage?

**Yield.** Yield your day to God. Think about your schedule, to-do list and/or plans. Ask God to help you remember the Truth He spoke to you and bring Him glory in all that you do. 2.5 minutes

**Reflection Questions.** Please feel free to reflect using what you find helpful, but there are some questions to get you started if you'd like some guidance:

1. What have the readings been teaching me about God?
2. What have the readings been teaching me about myself?
3. What do these teachings mean for my life today?
4. What responsibility has God given me?
